MEMO

To: The Honorable Waterford Township Board
From: Gary Wall, Supervisor *gw*
Date: February 12, 2021
Re: Water System Advisory Council Appointments

I respectfully request the Township Board's approval for the appointment of the following to the Water System Advisory Council for terms to be determined by the Council at its initial meeting:

- Gary Wall, Township Supervisor
- Kim Markee, Township Clerk
- Russell Williams, Township DPW Director
- Rob Merinsky, Township Development Services Director
- Kristin Goetze, Township DPW Engineer
- Sue Camilleri, Waterford Resident

As a requirement of the State of Michigan Safe Drinking Water Act, 1976 PA 399, as amended, and the administrative rules (also known as Michigan's 2018 revision of the Lead and Copper Rule), the Township must create a Water System Advisory Council. The Rule states in R325.10410 (7): *Each water supply that serves a population of 50,000 or more, and each consecutive water system that serves a population of 50,000 or more, shall create a water system advisory council.* Waterford Township has approximately 73,000 water system customers.

Further, the council shall consist of at least five (5) members, appointed by the community supply. To be eligible for appointment to the council, an individual shall have a demonstrated interest in or knowledge about lead in drinking water and its effects. At least one member must be a local resident who does not formally represent the interests of any incorporated organization. In general, the council will develop plans for educating water customers about lead in drinking water.

Thank you for your consideration.
