

CARES Act Funding Available to Local Business Owners

- This program may provide mortgage and rent relief to small businesses within the Township up to \$10,000.
- As secondary requests, the Township will also consider requests for inventory, supplies, furniture, software, and construction costs that would be able to further assist the abilities of our local businesses to operate through this pandemic. These secondary requests are limited to a maximum of \$2,000.
- These businesses must employ at least one member of a low-/moderate-income household with incomes at or below 80% AMI. Assistance will be provided to businesses on a first come first serve basis until all funds have been allocated or the assistance program is no longer found to be necessary.
