

5 REASONS WHY YOUR PETS NEED TO BE LICENSED

Dog License Prices

The Oakland County Animal Shelter and Pet Adoption Center allows you to renew or purchase either a one-year or three-year license. In order to purchase a three-year dog license, your pet's rabies vaccination expiration date must coincide with the date of the dog license. For example, in the year 2021, a three-year dog license will have a year of 2023 (three years out). If you wish to purchase a three-year dog license in 2022, then your dog's rabies vaccination expiration date must run through 2024.
