

CHARTER TOWNSHIP OF WATERFORD
RESOLUTION CLOSING APPLICATION PERIOD
FOR MEDICAL MARIHUANA FACILITY
APPLICATIONS

RECITALS:

- A. The Township Medical Marihuana Facility Licensing Ordinance took effect on January 4, 2021. (“MMFL Ordinance”)
- B. The Clerk’s Office has accepted applications for medical marihuana facilities licenses, and after review processes, decisions to conditionally award licenses were issued on July 12, 2021, when the Township Board conditionally approved five facility applications, March 14, 2022, when the Township Board conditionally approved four facility applications and March 28, 2023, when the Township Board conditionally approved one facility application.
- C. The MMFL Ordinance allows the issuance of up to six provisioning center licenses. Presently, there are no available provisioning center licenses. Four of the conditionally approved applicants for medical marihuana provisioning center licenses have since met all the requirements under the MMFL Ordinance and have received licenses from the Township. Two conditionally approved applicants for medical marihuana provisioning center licenses have been granted additional time until October 20, 2023, to complete the MMFL Ordinance requirements to be eligible for receiving a license.
- D. The Township has not received any applications for a safety compliance facility or secure transporter.
- D. Although the Township conditionally approved applications for growers and processors, the period of time to receive a license for conditionally approved grower or processor applications has expired.
- E. The Board has determined that at this time, it is in the best interests of the Township to not accept applications for any type of medical marihuana facility license.
- F. The Board may in the future establish a new period for accepting new medical marihuana facility license applications.

IT IS THEREFORE RESOLVED that as of the effective date of this Resolution, applications for grower, processor, provisioning center, safety compliance facility and secure transporter shall not be filed with or accepted for filing by the Township Clerk’s Office.
