H. Under the Emergency Management Act, the Supervisor's Declaration of Emergency is limited to seven (7) days without Township Board consent.

I. The Township Board agrees with the Supervisor's Declaration of Emergency, and in addition to the closure of Township buildings to the public, believes the Supervisor should be authorized to make all determinations required of the Township under the Governor's COVID-19 State of Emergency Declaration and existing and future Executive Orders, specifically including 2020-21, that to the extent a public meeting must and may be held under that Executive Order, that all participation be remote as authorized by Executive Order 2020-15, and that additional emergency measures and actions should be taken or authorized.

Consider Resolution Declaring Coronavirus Local State of Emergency Continued.

3. That for public meetings of Township Boards, Commissions, or Committees that are subject to the Open Meetings Act that must and may be held, that all participation be remote as authorized by Executive Order 2020-15, and that only if the requirements of that Order cannot be complied with and a meeting with persons in physical attendance is allowed by a Governor Executive Order, that the number of persons physically attending should be documented, and limited to the extent possible and legal, in an effort to protect the health and safety of persons that do attend by the following measures:

7.5 Resolution to Re-Establish the Waterford Township Public Library

The following memo was received from Joan Rogers, Library Director.

The Library Advisory Board requests consideration of adopting the attached resolution to re-establish the Waterford Township Public Library under the recently amended Charter Township Act, which makes provision for re-establishing the library under this amendment. Since 2019 PA 24 was signed into law the Library Advisory Board has considered this matter, reviewing the options available to the Township, including making no change, and have concluded that the best course of action is to request the Township Board to take this action. The rationale for this includes:

- Now that 2019 PA 24 has been enacted it allows us to reestablish with the same principles in place as in 1963 when the Township Board first established the Library.
- Our library has resisted encouragement from the Library of Michigan to reestablish when our options were limited to either PA 164 or District Library status as either of these options includes governance by an elected Library Board.
- Our library’s role as a Township Department has been one of mutual benefit to both local government and the library’s ability to provide service to our community
- The newly amended law now offers the option to continue this successful relationship seamlessly, without the need for any change in our current policies and procedures or the range of services we offer now or will develop in the future.

In reviewing these options on behalf of the Library Advisory Board, Kimberly Markee, Township Board liaison to the Library Advisory Board and Joan Rogers, Library Director, have discussed this matter with the Township attorney as well as consulted with Clare Membali, MLS, J.C, Library Law Consultant at the Library of Michigan and Catherine A. Mullhaupt, Staff Attorney, Michigan Township Association. The Library Advisory Board believes that as state law now makes provision for our library to re-establish under current law in a manner that preserves our current mode of operation it is best to take full advantage of it.

In addition, Ms. Membali noted that, as part of this re-establishment, the Library Advisory Board/Committee members would have to be reappointed. The packet also includes two attachments, first revised Bylaws for the Library Advisory Committee and second updated Rules of Conduct, revised per recommendations by Attorney Dovre, with changes to numbers 2, 9 and 10 (on firearms) based on court cases or decisions.
Clerk Markee read the Resolution to Continue, Reestablish, and Maintain Free Public Library.

CHARTER TOWNSHIP OF WATERFORD
OAKLAND COUNTY, MICHIGAN
RESOLUTION TO CONTINUE, REESTABLISH, AND MAINTAIN FREE PUBLIC LIBRARY

RECITALS:
1. The Waterford Library ("Library") was established as a public library by Resolution of the Township Board of Trustees (Township Board) on July 22, 1963, under the provisions of Public Act No. 269 of 1955, and since that time has been under the control of the Township Board that has been the governing board of the Library.

2. Effective January 1, 1977, Public Act No. 269 of 1955 was repealed and replaced by the Revised School Code, which did not include the provisions under which the Library was established, operating, and being maintained, MCL 340.901 - MCL 340.905.

3. As the governing board of the library and as had been allowed by Public Act No. 269 of 1955, on April 27, 2012, the Township Board approved establishing the Library as a free public library under Section 10 of Public Act No. 164 of 1877, MCL 397.210, by approving ballot language for the proposed levy of a dedicated library millage for 1 of the 2 mills allowed by that statute for a period of 10 years.

4. At the August 1992 primary election, the majority of voters approved establishing the Library as a free public library under MCL 397.210, by approving the dedicated library millage of 1 mill for 10 years.

5. Renewal of the dedicated library millage approved in 1992 was approved by the voters in 2002 for 10 years, and again in 2012 for 10 years through 2022.

6. Relying on MCL 397.210, as amended in 1994, the Township has treated the dedicated library millage as an authority millage that is not included in the charter township tax limitations under MCL 42.27.

7. Effective June 18, 2019, Public Act No. 24 of 2019 amended Section 13a of the Charter Township Act, MCL 42.13a, to allow a charter township to reestablish and maintain a free public library that was established as a township library under a repealed act, such as Public Act No. 269 of 1955.

8. Although notwithstanding the repeal of Public Act No. 269 of 1955, the Library of Michigan has considered the Library to be legally established for purposes of State Aid and Penal Fines distribution, with the new authorization option for free public libraries in charter townships under the amended MCL 42.13a, it has encouraged the Township to take formal action necessary to establish or reestablish the Library under an existing Michigan statute.

9. At the request of the Library Advisory Board, and without acknowledging the necessity of taking such action, or prejudice to the Township's ability to collect and allow the voters to renew the dedicated library millage under MCL 397.210, the Township Board has determined to continue its free public library and reestablish and maintain it as now allowed by MCL 42.13a.
Resolution to Continue, Reestablish, and Maintain Free Public Library.

IT IS THEREFORE RESOLVED that the Library shall continue as a free public library and is hereby reestablished and shall be maintained as a free public library as authorized by MCL 42.13a.

IT IS FURTHER RESOLVED that the Township Board shall continue to serve as the Board of Directors for the Library with final authority over all Library matters.

IT IS FURTHER RESOLVED that the Township Board hereby appoints the following current Library Advisory Board members to serve as the seven (7) member Library Advisory Committee required by MCL 42.13a for the remainder of their Library Advisory Board terms as indicated, with all subsequent terms to be for three (3) years. The Township Board may fill vacancies on the Library Advisory Commission and may remove a member with or without cause.

1. Duration – 2 years.

2. Wages:
   A. 1/1/2020: 2.0%
   B. 1/1/2021: 2.0%
