   Parcel I.D. No.: 13-25-200-036 & 13-25-200-013

   Applicant or representative present: Arie Leibovitz

   **Mr. Polkowski** gave a brief overview and visual presentation of the general location of the proposed distribution center within the Summit Place Overlay Zoning District. He
provided a copy of a utility plan to tie into the existing watermain and reutilize existing storm and sewer infrastructure. Re-Use of these utilities is contingent on DPW and Township approval, and adoption of the Text Amendment 20-03-01 by the Board of Trustees is necessary for this conceptual plan to be adopted as proposed.

There was some discussion of the truck & trailer parking amendment, and Accessibility of sidewalks on the proposed new road from Telegraph to Summit drive. Staff does not have any issues with the building height amendment from 30’ to 45’, and a few minor inconsistencies and fire requirements need to be clarified or corrected.

**Mr. Leibovits** stated that he did not have specific plans for the South Side development but would address this at a later date.
