AT&T franchise Fees continued to fall as they transition customers to satellite services. Comcast revenues continue to rise. The Cable Commission is seeking volunteers. Please forward your resume to the Supervisors Office.

Clerk Markee

Clerk Markee read the following letter from Ms. Levy.

I wish to express my sincere appreciation to Waterford Township related to the Township Library Outreach Program. I am grateful that I am the recipient of both the drop off and return of books from our Township library. This service has had a positive impact on my **quality of life**.

Let me tell you a bit about myself. I have resided and been a taxpayer in Waterford Township for 23 years. For many of those years, I was professionally and happily employed, an active adult learner, and engaged in volunteer work. My life gradually changed as my ability to engage in life as I had known it changed. My several health and medical challenges became "disabilities" which impacted, over the past 10 years, my access to the community and have required many accommodations.

Thanks to the Library Outreach program, I have been able to continue reading. I am sure I need not inform you that this program has afforded me not only the opportunity to continue reading, a passion of mine from childhood, but also, via reading, the ongoing opportunity to challenge my mind and therefore retain my cognitive faculties. The Outreach program has and continues to be a blessing in my complicated life that requires oh so many accommodations.

Sandy Quinn represents the library and the Township in a way that hopefully makes you proud. She is upbeat, helpful, prompt and above and beyond in her kindness and consideration. I especially appreciate the couple of minutes when Sandy is dropping off/picking up books as she is conversational. As someone who is somewhat isolated due to my disabilities, the brief exchanges are both appreciated and especially meaningful. Please do recognize Sandy Quinn.

I offer my most sincere thanks. If I may be of any assistance in spreading the word about this wonderful resource, feel free to contact me.

Respectfully and with gratitude,  
Ruthe Levy

Trustee Monohon,

The Waterford Youth Assistance had a great turnout at the Kindness Rocks Garden.

They are working on scheduling a meeting SEMCOG and MDOT.

**6.1 Possible Adoption of Zoning Ordinance Amendment 2021-Z-012 - Text Amendment for Signage**

The following memo was received by Jeff Polkowski, Planning and Zoning Superintendent.

Attached for your review and consideration, are two (2) proposed amendments to the signage section of the Zoning Ordinance. The first is with respect to signage at multiple tenant buildings. The second ordinance amendment proposes changes to freestanding Sign Message Boards.

**Multiple Tenant Buildings**

Historically, the Township has interpreted the Zoning Ordinance to only consider the wall area of an individual unit within a multiple tenant building when calculating signage allowance for that unit. However, at the regularly scheduled June 15, 2021 meeting of the Zoning Board of Appeals, the Board heard an appeal of an administrative decision and interpreted that, based on how the Zoning Ordinance is currently written, wall signs for an individual business in a multiple-tenant building may use the wall space located at another unit for their signage.

Although the ZBA granted this appeal to permit the sign to be placed in an unrelated area of the building due to the language of the ordinance, the Board advised Township staff to provide an amendment to address this issue in the Zoning Ordinance. Concerns have arisen from this interpretation such as the potential for an occupant of one unit placing signage in multiple locations around the building and potentially monopolizing all available wall space that would normally be reserved for other tenants.

Township staff is also recommending the removal of Sign Message Boards from multiple tenant buildings. This is to prevent multiple competing electronic changeable message signs that could distract drivers and providing a general visual nuisance.

**Sign Message Boards**

Additionally, the current ordinance encourages the use of changing sign message boards by providing a size bonus over traditional signs. There is no clear reasoning for this bonus. This ordinance amendment is intended to, de-incentivize sign message boards on ground signs, reduce sign clutter, and provide more uniform signage allowances between sites. Section 1-007 of the Zoning Ordinance defines Sign Message Boards as:

**Sign Message Board.** A sign component providing for changeable sign message units within a portion of the sign face area. Specific types of sign message boards shall be governed by the following definitions:

**Electronic Sign Message Board.** A sign message board on which sign message units are depicted on a lighted display that is electronically-controlled.

Possible Adoption of Zoning Ordinance Amendment 2021-Z-012 - Text Amendment for Signage Continued.

Traditional Sign Message Board. A sign message board on which sign message units are changed manually or by mechanical rotation.

**Planning Commission Recommendation and Findings**

The Planning Commission reviewed this proposed Rezoning at the regularly scheduled meeting on July 27, 2021 and resolved unanimously, to forward a favorable recommendation to the Township Board.

**Motions**

Based upon the Planning Commission's favorable recommendation at the July 27, 2021 regular meeting for this zoning ordinance amendment, should the Board want to consider adopting the proposed ordinance amendment, the appropriate motion would be to introduce the attached Ordinance and schedule it for possible adoption at the August 23, 2021 meeting.

**6.2 Possible Adoption of Zoning Ordinance Amendment 2021-Z-013 - Text Amendment: Outfitters**

The following memo was received by Jeff Polkowski, Planning and Zoning Superintendent.

Attached for your review and consideration, please find eight (8) proposed Zoning Ordinance Text Amendments. This ordinance amendment was initiated after a pre-application meeting to discuss a proposed kayak rental facility within the Township. Due to the present use list of the Township Zoning Ordinance, it is cumbersome to classify a facility that offers kayak rentals. Because aquatic recreation is an integral component of Waterford's culture and economy, Township staff is proposing an ordinance amendment that establishes Outfitters as a new land use within the Township.

Recreation outfitters that offer non-motorized boat rentals operate under a general retail format and provide further leisure opportunities for those who wish to visit the Waterford for its unique recreation opportunities. Although a comprehensive understanding of consumer spending on paddling in Michigan is still largely incomplete, a report in 2015 from the Michigan Economic Center and the Grand Valley State University Annis Water Resources Institute, noted that the growing canoe and kayak industry annually contributes roughly \$140 million to Michigan's economy. The proposed definition for this new land use is:

**Outfitters.** *Recreational establishment renting small watercrafts such as kayaks, canoes, paddleboards, accessories for their use and fishing equipment, which may offer boating instruction, training and water access for use of the watercraft, as part of their services.*

Possible Adoption of Zoning Ordinance Amendment 2021-Z-013 - Text Amendment: Outfitters Planning Commission Recommendation and Findings Continued.

This use would permit in all Commercial Zoning Districts the establishment of facilities that offer the rental of small watercrafts such as kayaks, canoes, stand up paddle boards (SUPs), and other non-motorized aquatic recreational crafts. As well as allow for these facilities to provide opportunities for instruction and training such as guided kayaking tours, fishing tours, and SUP yoga classes. The use of Public Parks for any such activity are subject to rules, regulations, and policies adopted by the Recreation Board as per 12-030 of the Code of Ordinance.

As with every Commercial use, any Outdoor storage as an accessory use will continue to only be allowed in the C-4 Zoning District as a Special Use Approval from the Planning Commission and must be located to the rear of the principal building. The Planning Commission may stipulate a reasonable increase of setback requirements to that of a more intensive zoning district as well as additional screening and barriers when the subject zoning lot abuts a residential zoning district.

The Planning Commission reviewed this proposed Rezoning at the regularly scheduled meeting on July 27, 2021 and resolved unanimously, to forward a favorable recommendation to the Township Board.

**Motions**

Based upon the Planning Commission's favorable recommendation at the July 27, 2021 regular meeting for this zoning ordinance amendment, should the Board want to consider adopting the proposed ordinance amendment, the appropriate motion would be to introduce the attached Ordinance and schedule it for possible adoption at the August 23, 2021 meeting.

I have attached a map highlighting the affected parcels within the Township. Should you have any question's please do not hesitate to reach out to this office.
