Subject: Holistic vibes flint bond

Hello,

We are having trouble cashing the check issued to us for the bond. We would like to reapply the bond. Please advise on how to proceed. It may be easier to discuss over the phone my phone number is [REDACTED]

TOWNSHIP RESPONSES

Question 1: You have asked if there is a process to transfer the Medical Marihuana Facility License Bond from the first Application to the Supplemental Application.

You may transfer a bond from the first Application process to the second Application process. You will be required to sign a Bond Transfer Agreement that includes a release of claims from the first Application process.

Question 2: If I signed a Bond Release Form to release the bond from the first Application process but have not cashed the check from the Township refunding the cash bond, may I transfer the bond to the Supplemental Application?

If you return the uncashed check from the Township and return the signed Bond Release Form with a request that it be voided, the bond from the first Application may be transferred to the Supplemental Application process. You will need to sign a Bond Transfer Form.
