HESS-HATHAWAY HISTORY

In 1985 Mrs. Myrtle Hess, owner of the *Lone Cedar Farm*, bequeathed her farm land property to Waterford Township. This property became a place where our community can enjoy a farm setting within a park. As a farmer, Mrs. Hess enjoyed raising prize-winning dairy cattle and wool-producing sheep. The Park is named after Myrtle Hess and her family. The *All Kids Playground* was added in 2002 through donations from the National Council of Jewish Women of Greater Detroit. The playground is accessible for *ALL ABILITIES*. Waterford Parks and Recreation Department operates the park and strives to honor Myrtle Hess and her family by making it a great destination for outdoor fun, farm education, hayrides, volleyball, cross-country meets, birthdays, rentals and special events.

SPONSORSHIP INCLUDES
