Subject: Marijuana application question

1. Section 10-301(24) requires a waiver of exemption from FOIA but there is not a waiver form in the Application. Was this intentional? Is there another format you prefer?

### **TOWNSHIP RESPONSE**

No separate form to provide the waiver required by Section 10-301(b)(24) of the Medical Marijuana Facility Licensing Ordinance has been prepared by the Township. Based on the language of the Ordinance, the waiver may be in the following form:

“The Named Applicant hereby waives the exemption from Freedom of Information Act disclosure of the application documents under the Act (MCL 333.27205(4)), if a Township decision on a license applied for by the Named Applicant is challenged.”
