Mr. Jaboro,

In answer to your question regarding acceptable insurance, an insurance rating of a "B++" is acceptable, however, an "A" rated company would be more favorable.

Thank you for your inquiry.

Hello Kim,

I hope this email finds you safe and healthy during these unfortunate times. Our insurance agency represents many clients in the cannabis space of which some who are preparing to submit marijuana applications. I have a question related to the insurance section which indicates that the insurance company must have a rating acceptable to the township. One of the insurance companies we use is a Michigan based insurance company, Conifer insurance whose rating is a B++, would that rating be considered acceptable to the Township? Thank you for your assistance and look forward to hearing back from you.
