Subject: Re: Marijuana Ordinance Question

Hello Ms. Markee,

I wanted to follow up on my original regarding the marijuana ordinance. I believe the council met last on to finalize it. Unfortunately, when trying to view the meeting I do not have any volume. I did try viewing through Internet Explorer as well as Google Chrome.

Would you be able to please provide me an update on the ordinance and the questions below:

- Is the application process first come first serve?
- During the council meeting there was mention of priority going to applicants from before.
 - Is this correct?
 - And how long is the list of applicants from before?
 - Is this list of previous applicants available?
- When do you expect the application window to open?

Thank you in advance for your help!

Sincerely,
Amy
